

Dear Mayur Somadatt Pagote

It is my pleasure to strongly recommend Mayur Somadatt Pagote for internship as Fundraiser intern for Inamigos foundation.

I am Govind Shukla, C.E.O of Inamigos foundation. I have working experience and have seen many young professionals come and go. Mayur Somadatt Pagote is one individual I have worked with who uniquely stands out.

During our time together Mayur, displayed great contributions and handled internships, by surpassing the targets that were given. In addition to that he had completed all the tasks that were given on everyday basis. When I came to know about his contribution towards our Inamigos foundation I was immediately impressed with him and the communication he was doing, he had on day one, but during the time worked together, his hard work, active participation with our foundation made him able to increase his potential day by day and the tools of the trade grew far more than that of his peers.

It's not just his skills that impress me, however, Mayur Somadatt Pagote was a joy to work with because of his active participation and hard work during the tenure of the internship, and also amazingly positive attitude and eagerness to stick tightly to deadlines. His attitude and team-building skills were also necessary and valued not just by myself, but by his peers, who often relied on him to get the job done.

I am absolutely confident that Mayur Somadatt Pagotewould be a great fit for Inamigos foundation. He will also quickly become an asset and help Inamaigos foundation grow in any way he can.

If you need more information or specific examples, please do not hesitate to contact us by email at Inamigosfoundation@gmail.com. As a recommendation letter likely only provides a snapshot of his talents and achievements, I would be happy to further elaborate on my time working with him.

Sincerely,

Govind Shukla
